— Rose G

"My daughter Leah attended a Breakaway Beach trip with her high school and I was very pleased with her entire experience. The staff were great right from the beginning. I was even able to phone in the office and reach my daughter immediately when I needed to. It was organized well and I was glad to hear the staff were with them the entire time and she had an absolute blast. My son will be going in two years as well!!."

— Andrea T on her daughters experience with Breakaway

"This was no question one of the most amazing experiences I've had in my entire life. All the staff were so friendly and extra helpful. They were always there to hype everyone up and always had activities going on that were inclusive to everyone. I highly suggest signing up for the experience of a lifetime!!"

FAQ'S

HOW DOES BREAKAWAY BEACH ENSURE STUDENT SAFETY?

Your safety is our highest priority. On destination, Trip leaders will oversee all Breakaway Beach designated activities and events, while still enabling you to have a great and memorable time. All of our Breakaway leaders receive comprehensive training.

We also offer a 24/7 emergency support number for parents and guardians. While Breakaway leaders will be available during designated hours, they do not oversee each traveler at all times. It is important to act safe and responsible when travelling.

WHO ARE THE BREAKAWAY BEACH LEADERS?

Our leaders come from a wide and eclectic background that includes high school teachers, counselors, travel professionals, and sports and entertainment professionals. Trip leaders are there for support and guidance if needed.

DO I GET TO CHOOSE MY ROOMMATES?

Students choose their roommates! Breakaway Beach will request your preliminary rooming either by working with your Group Rep/Travel Specialist or by contacting you directly. Once final payments are made, Breakaway Tours will finalize rooming and your

roommates will be listed in your online customer portal.

Upon sign-up, all travelers are billed at the maximum-occupancy rate. It is the student's responsibility to fill their room to maximum occupancy to ensure the lowest cost. If there are fewer travelers in the room, there will be an occupancy fee assessed to all roommates (essentially less people splitting the cost of the room). If a roommate cancels, the remaining students are responsible for filling the room or paying the increased price due to occupancy changes.

Breakaway Beach will only randomly assign rooming if you have not told us who you would like to share your accommodations with. In this case, we will only assign travellers of the same sex to a room and you will be responsible for paying the occupancy rate that you have been placed in.

*If a traveler does not have any roommates and there are no open rooms for them to be randomly assigned, they will be in a single-occupancy room and incur the total cost of the room.

WHAT IS THE AGE OF MAJORITY?

In the countries that we travel to the age of majority is 18. The Breakaway Beach Code of Conduct, signed by all students, also outlines alcohol use and

consequences for abuse such as reduction in privileges or removal from the trip.

WHAT WILL THE TRAVEL DAY BE LIKE?

On the day of departure, you'll be greeted by your leaders at the arrivals gate at your destination. They will make sure everyone is on the bus, and communicate with the bus driver on when to depart to the hotel. Breakaway leaders will also help with the check-in process upon arrival. Once at the hotel, you will be given a briefing speech to go over expectations of behavior, and a run down of the program itinerary. This is your chance to ask questions, review safety procedures, and get yourself familiar with your hotel. Once that is wrapped up you're free to explore the resort!

WHAT HAPPENS IN CASE OF AN EMERGENCY?

Before our Travelers even step onto the bus, we go through the below Pre -Travel Medical Emergency Procedure to be as proactive as possible -

1. We establish relationships and work with hotel/travel partners with exemplary safety protocols
2. Travellers fill out a medical condition form
3. Our team reviews every medical condition form

response

4. Escalated medical conditions receive a follow-up from a Breakaway Tours Team Member to ensure travel is the best option for student
5. On-site coordinators are debriefed on Travellers with medical conditions on their program
6. Coordinators meet with Travellers with medical conditions upon arrival at the destination and review Emergency Procedures

ON-SITE MEDICAL PROCEDURE

In the event that there is a medical emergency in the destination, one of our Team Member will be with the Traveller as soon as possible, until the situation has stabilized and the Traveller returns to the hotel.

Below you will find the standards and steps that our Team will follow to make sure we are doing whatever we can to handle the situation properly -

1. Get immediate medical attention for the Traveller
2. Contact Parent/Guardian and notify of the situation
3. Contact Breakaway Tours Head Office and notify them of the situation
4. Communicate any

updated information from Doctor to Parent or Guardian (ongoing)

5. If necessary, help make travel arrangements for the Parent/Guardian to the destination
6. Once stabilized, find suitable transportation back to the hotel
7. Continue checking on Traveler throughout the week and help them whenever needed
8. Should it be applicable, start an insurance claim with Manulife.

EXISTING MEDICAL CONDITIONS

We have extensive experience in traveling with students who have existing medical conditions such as Diabetes and extreme allergies. No one should miss out on the trip of a lifetime.

- 10% of travellers have an allergy
- 5% of travellers have asthma
- 1% of travellers have a severe medical condition
- We have experience traveling students in wheelchairs

In the event that a traveler needs handicap accessibility, we kindly ask that the traveller and parents advise us upon booking so that we can be sure that the bus and hotel are as

accommodating as possible.

We want to make sure this trip is possible for all potential travellers. We think it is important for everyone to have the chance to experience a trip of a lifetime. We will do everything we can to make that happen!

WHAT IF I HAVE FOOD ALLERGIES OR SPECIAL MEAL REQUIREMENTS?

In your online profile there will be a medical condition section where you should list all allergies or dietary requirements. While it is your responsibility to be aware of your condition and act accordingly, our trip leaders will be on hand to offer assistance as needed.

WHAT DOCUMENTS DO I NEED TO TRAVEL?

For American passengers, please bring along your passport as your main form of identification. Please also bring along your health insurance card in the event of an emergency. Please note it is the passenger's responsibility to obtain all necessary travel documents.
